ONE
OCEAN NETWORK EXPRESS

South Pacific Service

AS ONE, WE CAN.

ONE is the result of an integration of the container operations of three Japanese shipping carriers, namely, Kawasaki Kisen Kaisha, Ltd ("K" Line), Mitsui O.S.K. Lines, Ltd (MOL), and Nippon Yusen Kabushiki Kaisha (NYK). The company seeks to meet customers' needs by providing high-quality, competitive container shipping services with the consolidation and enhancement of the three companies' global network and service structures.

The integration lets ONE to incorporate best practices from the three companies and to take advantage of their combined 1,550,000 TEU fleet size. Supported by a worldwide high level, globally-connected organization, it offers 128 service loops and a comprehensive network linking more than 200 of the world's major ports.

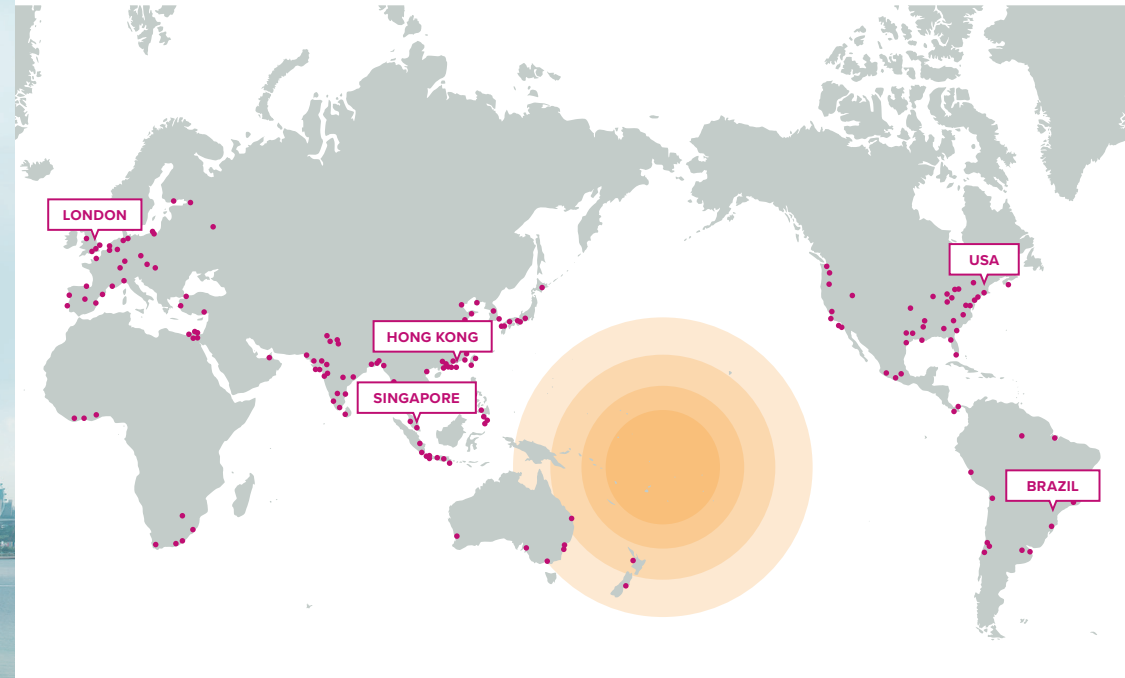

ONE is focused on offering superior quality and the most competitive service throughout its network. Each service has been developed to provide clients with the highest level of satisfaction. ONE aims to transform the global container business with totally new and innovative services.

*As of October, 2018

Service Information

Services run weekly from Asia to South Pacific. The variety of loops ensure coverage throughout the region.

Containers from indirect ports can be covered through transshipment in Asia ports via ONE's Global Network.

The South Pacific Service (SPS) strives to be a stable and frequent product to contribute to growth throughout the region.
